

Welcome to December! It is crazy to think we are already half way through the season. All skaters are working hard and progressing. We have a very busy few months when we are back from break.

Christmas break: Our last day of regular skating will be December 12th. We will return to normal ice times on Monday, January 5th.

Christmas Party: Our STAR Christmas party will be on December 11th at 6:30 in the Vic Room. We will have pizza and games. We will be playing a game with the secret Santa gifts so skaters will not know whose gift they will be getting. 🎄🎅❄️

December 12th Fun Day: On December 12th we will be having a mock competition meaning skaters will get to have practice time to showcase their elements and solos to get a feel of what competition will be like! This will be during regular skating times. Skaters will not be competing for gold/silver/bronze or 1st/2nd/3rd but will be getting a paper with check marks from me or Coach Brianna when they complete their elements. Please feel free to wear a skirt or dress and bring family or friends to watch!

Competitions:

- Regionals in Prince George - January 16th-18th. Registration closes December 5th.
- Grande Prairie STAR 1-3 - January 16th-18th Registration opens Dec 1st.
- Grande Prairie STAR 4 & up - January 23-25th. Registration closes December 3rd at noon.
- Totem in Fort St John - February 13th-15th. No registration date yet.

*All skaters are welcome to go to competitions! If you have any questions, please ask!

If you are not sure what to sign up for competition or don't have your program music, please email mile300starskate@gmail.com

Morning Competition Skating: Morning skate will continue in December on Tuesday mornings.

- Dec 2nd Group 3&4
- Dec 9th Group 1&2

Starting In January we will have two morning skates a week on Tuesdays and Thursdays starting January 6th from 7:30-8:30. Morning skates are open to all Star skaters for extra time to practice solos and elements. There is no planned lesson during this time. Skaters will work on what they feel they need to and I will be there to help!

Coach Marcy 🎶
