

February 2026

It is official We are now 5 weeks away from Carnival!

You may have noticed that our normal ice routine has changed. We are now going to be gearing up on finishing the routines. Once skaters have the routines down we will continue with lessons. Please try to have skaters attend their scheduled ice times so they do not fall too far behind the group.

Dates to make note of:

February 12th: Seed fundraising is due (if there is questions please contact Olive McLean on facebook page)

February 16th: No skating..Family Day!

March 5th: Carnival Rehearsal 4-6pm (this will be the entire club)

March 7th & 8th: Carnival Days!!!! (shows will be 1pm or info will follow)

The ongoing 50/50 raffle is still happening. Please contact Ellie via facebook or email for more info on how to get tickets to sell. (Winning pot will be a big one)
mile300fun@gmail.com

Carnival will be held March 7th & 8th this year. With carnival approaching we are going to be looking for volunteers as it really does take an army to pull off our fabulous shows. Please stay tuned to Facebook and your emails for volunteer opportunities. (These have already been posted on facebook) More details to follow at a later date!

Costume try-ons will be happening over the next couple of weeks. We will schedule these right after your skater is done with their lesson. They will simply go into the changing room, try on their costumes to be sure everything fits and then are done. It is really important to remember that the costumes are not going to be a perfect fit for your skater..... This is where we get to do some pinning and adjustments. You will be notified by email when your skaters group will be doing this.

As mentioned above it is going to be a crazy busy month so please bear with us. I will most likely be sending out lots of emails regarding carnival and posting volunteer positions that may come up.

Thank you,
Mile 300 FSC
