

Mile 300 Figure Skating Meeting Minutes – April 1, 2026

- Meeting Call to Order: 6:07pm

Attendance: Olive, Shelly, Jamie, Ellie, Nicole, Denise, Mandy, Sandra (left early)

- Motion to adopt previous meeting minutes Motioned by Mandy. Second by Olive. Carried

New Business:

- Logo guidelines needed for sweatshirts and parents.
 - Moving forward we will have an order form in place to order merch earlier. Maintain with embroider vs other options. Shelly will approach Half Cut Garage to deal with us for our logo now that they have Style Rite's machine. Before start of season board will meet for other swag/merch options to give skaters more options to order.

President's Report:

- AGM Nomination paper Open roles are test & comp chair, secretary, president and vice. Kari suggested to separate test and comp chair and the privates scheduling role. And to have a completely separate email for the privates scheduling to keep it more organized. Nicole mentioned it would be a good idea to have the person scheduling the privates to not be a star skate parent due to conflicts. A possible new position would be coach liaison/ rep and ice coordinator. Board agrees this position is needed. Will add to nominations.
- Sea can? Other storage options? Krystal said to approach Sherry Hart to see if any heated shops are available to rent. We don't go ahead with a seacan because it not heated and there is nowhere to put it as we don't own land as a club and it's not feasible. Ellie offered Patch Drive's heated office space as storage place for future use. Amanda suggested upstairs of playschool there is a room not being used. Access is not great for the playschool. Sandra motioned for Patch Drive once Ellie confirms that there is heat. Mandy Seconds. Passed
- Bingo Supplies Denise and Shelly will set up a time to get together to move the supplies.

Registrar's Report:

- Plan for pre-registration and open registration needed. Open registration is for everyone after pre registration. Non-skating siblings of skaters register with open registration and not "jump the line" because their sibling skates. A new skater is a new skater. We will not be chasing previous skaters for paperwork. We will have a deadline date for pre registration when paperwork needs to be in by. We discussed the possibility of having an extra fee for competition skaters for the morning ice usage and having it be only available for competition skaters.

Treasurer's Report

- Account Summary: General:\$51894.56 Most bills have been paid

Carnival Chair Report:

No costume malfunctions. Some costumes are started to smell (BO) . Ellie will take some of the smelly costumes to a dry cleaner this summer. Star Skate room was a mess with costumes balled up and thrown under benches. We will have better eyes in there next year. Senior Star Skaters suggested that the carnival chairs pick a couple themes and have the club vote for which one they want to do. Possibly hire a photographer for the carnival next year and not rely on a parent to do it. Carnival USBs are ordered.

Carnival went fairly smooth over all.

Test and Comp Report:

- Coach meeting went well. Brianna would like to offer her services again next season. Which is Freeskate Friday and mornings. Kyla is unsure and will reassess closer to, but she does like 2 days a week. Jaylene on board but changing jobs so unsure of her new schedule. Krystal yes. Marcy yes. Amanda yes. Hopeful about Shyla for canskate Jr coach. Get her to email letter of intent.
- Seminars? Would like to bring up a person to run a couple seminars. There is a coach out of Grande Prairie that does dance (partner dance). Local coaches to do a Boot Breaker Seminar at start of season.

Fundraiser's Report:

- Will get ideas at future meeting.

Parent Liaison Report:

- Next year hoodies/jackets possibly get a business sponsor and put a small logo on the sleeve.
