Ice Coordinator/ Coach Liaison Report

1. Have some concerns about the costs of program building. Have a letter of the additional costs. Have always paid for a private and a chorography historically but with so many new skaters this information should be more up front in the welcome letter. A little more detail breaking down the cost of the private programs.

2. If a skater is cancelling their private lesson, they have to provide 24 hours or they will be charged. Skaters and families are not able to book someone else in the slot. The club will reach out to the waitlist before opening it up to the public.

3. If someone needs to cancel they have to email the star skater club.

4. Kyla asked if she can have a helper to supervise on Wednesdays for the younger stars and have Shyla be that helper for 30 minutes. Sandra motions to accept Kari seconds. Approved.
